

Dear Friends,

It's time to gather your friends and family and get ready for our 19th annual Table Rock Lake Shoreline Cleanup! This year, the first Saturday in April falls on April 6th.

Since 2001 we have removed over 272 tons of trash and recycled almost 4,500 tires from the shorelines of Table Rock Lake. These impressive results are only possible with the support and dedication of volunteers like you!

We need your continued support for the Cleanup again this year. Form a team, become a business sponsor (if not already), and help us continue to keep our lake clean and beautiful. If you are unable to organize a team, encourage a neighbor or friend to take the reins this year, and pass this information on to them. **We would also appreciate reports from you on any locations you are aware of that need cleaning up.** You can contact me by e-mail at ronna@ozarkswaterwatch.org or call 417-739-5001.

Cleanup supplies are provided and will be ready for you to pick up starting March 25th (locations on reverse).

The Cleanup takes place anywhere along the almost 800 miles of shoreline. We've had over 100 teams and 1,000 volunteers some years and hope to do it again! Teams are made up of families, businesses, home owners associations, church groups, student groups, organizations, scouts, etc. Your team can work morning, afternoon, another weekend, or during the week. (Roll-off dumpsters available Friday 4/5 – Monday 4/8) Choose a location you're familiar with, move to another location, or we can help you coordinate an area for your team to cleanup.

Use the *Volunteer and Trash Tracking Sheet* (included) to track your team and cleanup location for us! Please return the Volunteer and Trash Tracking Sheet to our office by April 20th, 2018. Volunteer Sheets and dumpster maps can also be found on our website (ozarkswaterwatch.org). All volunteers will receive a t-shirt and each family gets a coupon for a free night of camping at any Table Rock Lake Corps of Engineers campground! We love to see photos of your team! Remember your camera and send a few choice photos to us at contact@ozarkswaterwatch.org if you'd like to share your Shoreline Cleanup memories. Please wear sturdy shoes, use a lifejacket while on docks or boats, dress appropriately, have fun and be safe!

Thank you for keeping Table Rock Lake clean!

RONNA HAXBY
