

2020 Shoreline Cleanup Events!

Saturday, April 4th, 2020 will be the **20th annual Table Rock Lake Shoreline Cleanup!** We are also preparing for the 3rd annual **Bull Shoals Lake Shoreline Cleanup** on **Saturday, June 27th** and the 11th annual **Taneycomo Lake Shoreline Cleanup** on **Saturday, September 19th**.

We started organizing these events in 2001. Since then, with the help of hundreds of volunteers every year, these cleanups have resulted in the removal of over 18,000 bags of trash, almost 5,000 tires and many tons of Styrofoam, furniture and other items from our shorelines! This has added up to the removal of almost 400 tons of debris from our beautiful lakes!

We couldn't possible do this without passionate volunteers and the generous support of our sponsors! Some devoted sponsors and passionate volunteers have been with us from the beginning. Thank you all!

Can we count on your support for the Shoreline Cleanup this year?

We offer a variety of support levels and options. **You can support more than one cleanup effort at a savings!** In addition, in-kind donations of services or supplies count at the same value as dollars!
